# Welcome

**Miss Karen Joash** BSc (Hons) MSc MBBS MRCOG  
Consultant Obstetrician & Gynaecologist

Miss Karen Joash is a Consultant Obstetrician and Gynaecologist who is passionate about delivering high quality care to all women. Her notable qualities are empathy, communication and personal approach to her patients.

She has been working in obstetrics and gynaecology for over ten years and is well known for being a skilled labour ward practitioner. Her aim is to help women achieve the type of delivery which is tailored to their wants and needs. With her holistic approach and knowledge of both low risk and high risk conditions she is able to provide this for all women.

Our philosophy toward childbirth encourages your individuality. A philosophy we deploy in your care from as early as the first trimester of pregnancy, excelling in every stage of the birthing experience.

## Pre-Registration

When it's time to have your baby, paperwork will be the last thing on your mind. Please call Ms Joash's Secretary on +44 2032 911 981 and she will make your pre-registration process much quicker and easier.

## Your Health Plan

Health insurance plans are not alike, so it is important that you understand what your health plan covers before you are ready to deliver. We urge you to contact your employer or health insurance company as soon as possible to ensure that you are covered for your new 'bundle of joy'.

## Our Holistic Care

Our holistic care means we work with allied healthcare professionals to ensure you achieve optimal physical and mental strength to prepare you for the delivery of your baby and the start of motherhood.
